ORDER:

In the reference 3rd read above, the Director General of Police has reported that, in order to remove the anomaly in the promotion channel from the categories of Data Entry Operator upto the level of System Analyst (Assistant Director), it is proposed to restructure the Technical posts in Police Computer Services to create equal and balanced promotional avenues to all the categories of Technical posts by downgrading three (03) posts of Programmers and creating three (03) posts of Associate Programmers.

2. After Re-organization, the posts of one (1) System Analyst, one (1) Associate System Analyst, Five (5) Programmers and Ten (10) Data Entry Operators were allocated to Andhra Pradesh.

3. As per existing rules, the post of Programmer can be filled up only by promotion from the post of Associate Programmer and the lack of this post in the existing structure of the Department meant that the Data Entry Operator could not be promoted at all. Some of them have even retired as Data Entry Operators.

4. According to Service Rules issued in G.O.Ms.No.222, Home (Pol.C) Department, dated 29-03-1994, the post of Data Entry Operator is the feeder category for promotion to the post of Associate Programmer. But there is no sanctioned posts of Associate Programmer in Police Computer Services & Standardization (PCS&S). Due to non-availability of the post of Associate Programmers, there are no promotional avenues to the Data Entry Operators.

5. Hence, the Director General of Police requested to restructure the Police Computer Services & Standardization (PCS&S) by downgrading 3 posts of Programmers as Associate Programmers. This will result in saving of approximately Rs.4.5 lakhs per annum to the Government as well.

6. Government, after careful examination of the matter, hereby accept the proposal of the Director General of Police to restructure the Technical posts in Police Computer Services to create equal and balanced promotional avenues to all the categories of Technical posts and accordingly hereby downgrade three (03) posts of Programmers as Associate Programmers.

7. The Director General of Police, Andhra Pradesh, shall take further action accordingly.

8. This order issues with the concurrence of Finance (HR-II) Department vide their U.O.No.31022/17/2017, dt:07.05.2018.
